Dear GySgt Maldonado:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE MCIEAST-MCB CAMLEJ2015F0136

This letter is in response to your Freedom of Information Act (FOIA) request of January 21, 2015, which was received on January 21, 2015. In your request you sought a Military Police Report reported in 2003.

We have categorized you as an "Other Requester" for the purpose of assessing FOIA processing fees. As such, you are entitled to 2 hours of search and 100 pages of duplication free of charge, but are responsible for payment of any search and/or duplication fees exceeding your free entitlement. In this instance, since your search and/or duplication fees were less than your free entitlement, there is no charge for the processing of your request.

The record identified was located in a Privacy Act Systems of Records, Notice (SORN) number N05520-4, NCIS Investigative Files System published in the Federal Register on October 13, 2009 (74FR52468). A review of the identified document revealed that we are unable to grant you first-party access to these files under the provisions of the Privacy Act of 1974 (5 U.S.C. 552, as amended). In order to afford you the maximum information allowed by law, your request has been processed pursuant to the provisions established by the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended).

We have reviewed your request for release determination. Review of the identified document reveals that they are partially exempt from disclosure under 5 U.S.C. 552 (b)(7)(c), records which if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy. This information may include names and any personal information to law enforcement personnel, witness statements, names and work addresses of additional personnel. Additionally, a review of the identified document reveals that they are partially exempt from disclosure under exemption 5 U.S.C. 552 (b)(6), records which if released, would result in a clearly unwarranted invasion of personal privacy. This information may include social security numbers, place of birth, home addresses and, home telephone numbers. A copy of the releasable portions is enclosed.

Retention of the records you sought is only maintained locally for a period of two calendar years. Those records available at the time of the receipt of your request were reviewed and processed for release determination. Additional responsive records may be available by submitting a request to: Naval Criminal
